

SCHOOL FEES

We appreciate majority of parents who honored their obligation and paid their school fees in full despite the difficult times. We encourage parents with challenges to acquaint themselves with the fee policy requirements, and comply so that the school operations run uninterrupted. Kindly check your child's diary for more details specific to your child.

PP2 GRADUATION

The school intends to conduct a joint graduation ceremony at **Milai EAST** for all our learners graduating from Pre-Primary to Primary level of education. This will be a very important event not only to the school but also to the graduands as they transit to the next level in their education journey. Each learner in this class shall be required to pay **Ksh 5000** by the 5th October for planning purposes. Parents mark the date 17th October 2025 and join us as we celebrate with these little angels.

BOARDING RULES

All learners' items should clearly be labeled before he/she is allowed into the dormitory. Ensure the learner comes to school with all items listed in the boarding checklist in their right quantities. All suitcases brought by learners should be returned home after the learner has removed his or her respective items from it.

GROOMING

The school recognizes that grooming of the learners contribute to their self-esteem. Consequently, the school advises parents to deposit termly pocket money of amount Ksh 1000 with the school account for this purpose and any other incidentals like depleted essentials.

PTA ACTIVITIES

The management wishes to thank all PTA members for their commitment and dedication towards school programs. We encourage all parents to make use of their class representatives on any matter touching on your children. PTA will also be coming to us parents on how we can participate in supporting them in delivery of their mandate beginning the year 2025.

CONCLUSION

The school through the management wishes all our learners a happy August holiday break. We hope that parents you will find time to spend with your children in so doing augment what the school has being doing by mentoring, encouraging and teaching them the most desired life skills to ensure their competitiveness in meeting the needs of the 21st century.

- Dr. Lucy Kiyapi – Chairperson/ Psychologist
- Winrose Rono – Curriculum Expert
- Nazma Amir – Financial Expert
- Dennis Abok – Operations & Mentorship coach
- Naomi Nkonge – Human Resource Expert
- Jack Anyumba – Governance & Ethics expert.
- Kenneth Kiprono – Group Parents representative

Let's all join together in welcoming these team tasked with overseeing operations and strategic direction of our great Milai over the next three years.

ACADEMICS

Learners' end-term assessment progress reports are available on the ONLINESMIS school portal. Kindly discuss the performance with them. With the introduction of weekly assessments given out every Friday, a remarkable improvement has been noted. These assessments are in the learners' portfolio and indicate the journey of individual learners from the beginning of the term.

ACADEMIC TRIPS

Our candidate classes and Junior School had an opportunity to visit very exciting and educative places. Grade 7 went to Kisumu and Grade 8 to Nakuru. Grades 6 and Grade 9 are currently on their trip in Nairobi and Kampala. We wish them an exciting and educative trip.

CO-CURRICULAR

We are pleased to inform you that the school has put in place a variety of both indoor and outdoor games for our learners. These include table tennis, chess, football, netball, and volleyball. These activities have significantly contributed to boosting learners' confidence, teamwork, mental health, and socialization skills. The school remains committed to introducing more interactive and engaging games to further support holistic development.

Any boarder picked for hospitalization shall be required to submit prove of treatment. This is to ensure only genuine conditions are given permission to seek medical attention.

INFRASTRUCTURE DEVELOPMENT

The school is on an exciting path of growth. A new tuition block is nearing completion, purposely designed to support the upcoming senior school. This state- of- art facility will provide modern learning space that match the ambition of our curriculum and reflect our commitment to academic excellence.

TRANSPORT

To ensure safe and efficient learner mobility, the school has expanded its transport with 4 school Vans and one Bus. We operate across four main transport routes. Each route is supported by a dedicated WhatsApp group which facilitate timely updates and effective communication. Parents are required to submit their official WhatsApp numbers and are encouraged to use these groups for all transport-related updates. Additionally, all parents must complete and submit the transport form—either in hard or soft copy—before the term begins for proper planning. **School transport begin its operations in the afternoon of the opening day (dropping back home).**
