

SCHOOL FEES

We appreciate majority of parents who honored their obligation and paid their school fees in full despite the difficult times. We encourage parents with challenges to acquaint themselves with the fee policy requirements, and comply so that the school operations run uninterrupted. Kindly check your child's diary for more details specific to your child.

PP2 GRADUATION

The school intends to conduct a joint graduation ceremony at **Milai EAST** for all our learners graduating from Pre-Primary to Primary level of education. This will be a very important event not only to the school but also to the graduands as they transit to the next level in their education journey. Each learner in this class shall be required to pay **Ksh 5000** by 5th October for planning purposes. Parents mark the date 17th October 2025 and join us as we celebrate with these little angels.

PTA ACTIVITIES

The management wishes to thank all PTA members for their commitment and dedication towards school programs. We encourage all parents to make use of their class representatives on any matter touching on your children. PTA will also be coming to us parents on how we can participate in supporting them in the delivery of their mandate since the beginning of the year 2025.

CONCLUSION

The school through the management wishes all our learners a happy August holiday break. We hope that as parents you will find time to spend with your children, and in so doing, augment what the school has been doing by mentoring, encouraging and teaching them the most desired life skills to ensure their competitiveness in meeting the needs of the 21st century.

Dear parent/Guardian

Greetings from Milai School East.

We thank God for seeing us through up to the closing date of Term II, 2025.

The school has continued to excel in many fronts. Of recent, the learners took part in the Regional Music Festivals posting goods results.

BOARD OF MANAGEMENT.

Milai school is delighted to inform you of the constitution of the seven-member Board of Management for Milai Group of Schools. The following is the team whose three - year tenure commences on 1st August 2025 and comprises of highly competent personalities with illustrious achievements in matters education:

- Dr. Lucy Kiyapi – Chairperson/ Psychologist
- Winrose Rono – Curriculum Expert
- Nazma Amir – Financial Expert
- Dennis Abok – Operations & Mentorship coach
- Naomi Nkonge – Human Resource Expert
- Jack Anyumba – Governance & Ethics expert.
- Kenneth Kiprono – Group Parents representative

Let's all join together in welcoming this team tasked with overseeing operations and strategic direction of our great Milai over the next three years.

ACADEMICS

Learners' end-term assessment progress reports are available on the ONLINESMIS school portal. Kindly discuss the performance with them. With the introduction of weekly assessments given out every Friday, a remarkable improvement has been noted. These assessments are in the learners' portfolio and indicate the journey of individual learners from the beginning of the term.

ACADEMIC TRIPS

Our candidate classes and Junior School had an opportunity to visit very exciting and educative places. Grade 7 went to Kisumu and Grade 8 to Nakuru. Grades 6 and Grade 9 are currently on their trip in Nairobi and Kampala. We wish them an exciting and educative trip.

CO-CURRICULAR

We are pleased to inform you that the school has put in place a variety of both indoor and outdoor games for our learners. These include table tennis, chess, football, netball, skating and volleyball. These activities have significantly contributed to boosting learners' confidence, teamwork, mental health, and socialization skills. The school remains committed to introducing more interactive and engaging games to further support holistic development.

TRAIN A CHILD IN THE WAY HE SHOULD GO EVEN WHEN HE IS OLD HE WILL NOT DEPART FROM IT.

INFRASTRUCTURE DEVELOPMENT

The school has an ongoing construction of a two-story building with 32 spacious classrooms and 5 mini halls for indoor activities. Additionally, a modern mega multi-purpose hall is currently under construction. Upon completion, it will have the capacity to accommodate over 1000 people.

TRANSPORT

The school has added a bus, raising the fleet to six. Each transport route has a dedicated WhatsApp group for timely communication. Parents are required to submit their official WhatsApp numbers and are encouraged to use these groups for all transport-related updates. Additionally, all parents must complete and submit the transport form—either in hard or soft copy—before the term begins for proper planning. School transport begins its operations in the evening of the opening day (dropping back home).
