Dear parent/Guardian

Greetings from Milai Group of Schools.

We thank God for seeing us through the academic year 2025 successfully. The school has continued to excel in many fronts, showcasing the dedication and hard work of both our learners and staff. As Milai family we (learners and staff) enjoyed our time in academics, spiritual nourishments, excursions, co-curricular activities, trips, entertainment among many other programs that were marked with great learning and memorable moments. All these success was realized courtesy of your selflessness and trust in the institution. Thank you for being our faithful partners!

ACADEMICS

Learners' end-term assessment progress reports are available on the ONLINESMIS school portal. Kindly discuss the performance with your child. A remarkable improvement has been noted across the whole school. These assessments are in the learners' portfolio and indicate the journey of an individual learner from the beginning of the term.

SENIOR SCHOOL LAUNCH

We are excited to announce the launch of **Milai Senior School** at our West Campus in **Juakali Centre, Eldoret**. The school is fully prepared to admit its first **Grade 10 students**, having onboarded a team of competent high school teachers, modern and well-equipped **classrooms**, advanced laboratories, a sanatorium, and excellent clubs and sporting facilities, among others.

To celebrate this great milestone, we warmly invite all our parents to the **Senior School Launch at West Campus** on **29th November 2025**. This special event will allow parents to witness our readiness for Senior School and interact with the school's management and teaching staff.

ACADEMIC TRIPS

As a school we believe in diversified learning. In so doing we have tailored academic trips for learners of all grades across the year. Parents take note of the date and charges per class. Ensure your child has paid up at least two weeks before the date of the trip. G6, JS & SS will have their trips in Term II, which can be paid for in two instalments (Term I & II)

SCHOOL FEES

We appreciate majority of the parents who honored their obligation and paid their school fees in full despite the difficult times. We encourage all our parents to familiarize themselves with the fee policy requirements. Also note that the **2026 FEE STRUCTURE** has been uploaded on our website [www. milaischool.sc.ke](http://www.milaischool.sc.ke). Tuition, meals, CBC assessments, excursions, clubs, PTA and activity fees are all covered. The exceptions in the 2026 fee structure are;

- Trips (*see item on academic trips*).
- One off Library Kitty of **Ksh 2000** per learner.
- **Coding, Robotics of 2,500 per learner per term** for those who join the program.
- Parents are also advised to submit the requested list of items in full by the opening day.

Those who do not submit during opening day shall be surcharged **Ksh 4,000** since the school will proceed to procure on their behalf to avoid delays in learning.

LEARNERS WORKBOOK

Milai school has embraced the use of personalized learners' workbooks for all learning areas. Parents are informed to purchase for their learners the specified workbooks for all learning areas (**see attached together with list of requirements**). They are found in local bookshops. No learner shall be allowed in class without them. Note that these items are personalized hence not part of list of items.
