

MILAI SENIOR SCHOOL

We are pleased to inform that **Milai Senior School** at our West Campus in **Juakali Centre, Eldoret** successfully opened its doors for grade 10 learners on the 12th January 2026.

At Senior school we offer all the three pathways preparing learners for their future careers.

To achieve this, the school has;

- on-boarded competent teachers to cater for all the three pathways,
- set up special rooms such as media room, science labs, cookery lab, ICT lab, electricity and physics lab, chemistry lab, music room and library
- retooled our teachers on the new teaching trends in CBE
- set up a sanatorium to support learners during ill health
- established a variety of sporting facilities (Indoor and outdoor)
- guidance and counselling to support moral and general conduct of learners.

We implore our parents to encourage all prospective parents to pay a visit to our Senior School with a view of having them admit their children with us.

SCHOOL TRANSPORT

Transport using school means is optional and payable by those who sign up. Additionally, the school intends to introduce an express way system charged at Kes **7,000 ONLY per term**.

Those interested should liaise with management to advise them on the route network.

The other routes including the charges remain unchanged.

GRADE 6 AND GRADE 7 REMEDIALS

Optionally the school has arranged for extra remedial time for the above grades in order to better equip them for their on-coming assessments/ exams. This shall be effected as follows;

- Weekdays: 7.00-8.00AM, 3.30PM- 4.30PM
- Saturday: 8.00AM -12.00AM

To facilitate this, parents of learners in these grades on school transport are encouraged to Consider alternative transport other than school transport by dropping and picking them.

To cater weekend meals a fee of Ksh 3000 shall be charged per Learner per term.

CONCLUSION

The school through the management wishes all our learners a happy Easter and April holiday break.

Dear parent/Guardian

Greetings from Milai Group of Schools.

We thank God for seeing us through Term I of academic year 2026 successfully. Through your support, the learners have enjoyed time in academics, spiritual nourishments, excursions, co-curricular activities, trips, entertainment. These programs were marked with great learning and memorable moments. Thank you parents.

ACADEMICS

Learners' end-term assessment progress reports are available on the ONLINESMIS school portal. A remarkable improvement has been noted across the whole school. Kindly discuss with your child his/her performance. These assessments are in the learners' portfolio and indicate the journey of an individual learner from the beginning of the term.

ACADEMIC TRIPS

Pre-primary and primary up to G4 learners already had their 2026 trips done. These trips are

educative and fun-filled moments learners get involved in, to augment what they learn in class.

Parents are advised to take note of the dates and charges per class for the

DATES	GRADE	CHARGES	DESTINATION
12 th June	G5	6500	Nakuru
26 th -29 th Aug 26	G6	15,000	Nairobi
19 th June 26	G7	6,500	Kisumu
18 th -19 th June 26	G8	10,000	Naivasha/ Longonot
26 th -29 th Aug 26	G9	25,000	Kampala
23 rd -29 th Aug 26	G10	30,000	Mombasa

remaining grades, and ensure that your child has paid up at least two weeks before the date of the trip. For grade 9s travelling to Kampala; the learners should during opening bring a copy of their birth certificate, and parents National ID (which should be the name(s) stated in the learner's birth certificate) or death certificate if deceased.

SCHOOL UNIFORM

We apologize for late delivery of school uniforms during Term 1. The challenges have since been addressed with our suppliers. Going forward parents are advised that school uniform shops in all our three branches shall be operational only **ONE WEEK BEFORE AND AFTER school opening dates**. The rest of the days only North branch uniform shop in Kiplombe shall be open. Parents are advised to plan appropriately to avoid last minute inconveniences.

SCHOOL FEES

Thank you parents for honoring your obligations. We remind all our parents to always ensure they make payments through provided channels/ accounts ONLY. The approved procedures are uploaded on our website www.milaischool.sc.ke. For those desirous to have their learners join **Coding, Robotics** program they be required to pay **2,500 per learner per term**.

SCHOOL LIBRARY

The school appreciates the support of parents in equipping our libraries through the library kitty. With the procured books learners have been able to attend library lessons; sharpening their research and self-study skills. We shall continue to add more physical and electronic books over time; to ensure that we are well equipped to offer our learners a well-resourced environment for their studies. Parents with books they no longer use at home, are also encouraged to consider donating through our **book harvest program** to grow our libraries.

ACADEMIC CLINICS

The school shall organize academic clinics for the different classes across Term 2. The purpose will be to discuss among other things; student progress and performance, strengths and areas of improvement, Strategies for support at home/ school and parent teacher collaboration. All parents are encouraged to attend when called upon.
