INFRASTRUCTURE DEVELOPMENT

The school is continuously improving its sporting facilities to nurture holistic talent. We are constructing **a modern football pitch, basketball, volleyball, tennis and handball courts**, which will go a long way in enhancing sports talent development. In addition, the recently opened **Koitalel Hall** is providing excellent space for training in music, drama and journalism. The hall is also open to the community for hire for events and activities.

COMMUNICATION

To manage communication more effectively, the school shall embrace **official blast messaging, WhatsApp and email** in 2027. All official communication will be shared through these channels only to ensure **orderly, respectful and focused engagements**. Parents are encouraged to make use of their **Class Parent Representatives** for follow-ups and clarifications, and to use the school official lines for all inquiries, allowing 24 hours for feedback.

SCHOOL UNIFORM

Effective 2027, our branch colour is Bright Green and our houses are Simba (Red), Tai (Blue), Chui (Green), and Nyati (Yellow). All uniforms including the new branded t-shirts at KES 850/- are available at school from the approved source. SCHOOL TRANSPORT

Kindly register your learner early by completing the Transport Request Form (hard or soft copy) and submitting your official WhatsApp number before the term begins. Each route will have a dedicated WhatsApp group for timely updates to help us plan routes based on demand.

Milai has embraced personalized workbooks for all learning areas. Kindly purchase the specific workbooks for your learner as *per the attached list of requirements*-they are available in the local bookshops. Please note, these are personalized and hence not part of the general list of items, and every learner is required to have them on opening day.
